- Special aesthetic requirements, complex designs, extra units or additional laboratory procedures may attract extra charges.
- Final quotation will be confirmed after case evaluation and before processing the work.

DENCO DMLS

UNIQUE SALIENT FEATURES OF DMLS

- DMLS Reduce Fitting Problems, High Point and Margin Issues
- DMLS works weigh 20% less when compared to conventional works
- DMLS works have better biocompatibility with 100% pure chromium cobalt materials.
- Only DENCO DENTALS provide selective laser melting process (SLM) now in Kerala

Replace your
Conventional Metal Ceramic (PFM) to DMLS
